

McWeadon
Enabling Learning Without Boundaries

ET510: E-Learning Evaluation

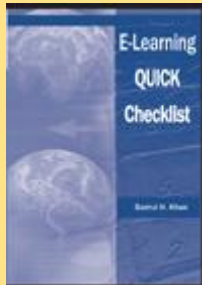

McWeadon is currently offering *ET510: E-Learning Evaluation*, a 4-week online course with special discounted rate of **\$99**. In this course, McWeadon instructor Dr. Alice Bedard-Voorhees will guide you through e-learning standards and provide practice for evaluating e-learning from content to services associated your course offering. This practice lends itself to developing and evaluating quality in your own elearning projects.

Learn in a highly facilitated manner at your convenience. Our instructors are personally accountable to ensuring the utmost quality and interaction, and the credibility of this valuable learning environment.

WHAT YOU'LL LEARN

ET510: E-Learning Evaluation

This course is based on Khan's Flexible E-Learning Model, chosen because it provides standards for integrating that offering into your institution or your organization.

The text for this workshop is *E-Learning QUICK Checklist* by Badrul Khan. At the author's request, the publisher has agreed to a **generous** discount for course/workshop participants--the ebook version (ISBN: 1-59140-811-3, 220 pages) is available now for **\$10** and can be purchased [online](#). Discount code is **ELQC60**

During each week of the workshop, participants learn about one or two elements of the e-learning model through text, audio, and video presentations, then have the opportunity to practice evaluation of an e-learning site for those components.
