### **ABOUT THE COURSE**

#### **PD503: Diversity In the Classroom**

Learners will gain an awareness of social, political, economic, academic, and historical constructs of ethnicity, race, socioeconomic status, gender, exceptionalities, language, religion, sexual orientation, age, and geographical area that are necessary to improve the diversity experience in a classroom. This course is specifically designed to assist classroom teachers and other cross-disciplinary instructors to increase personal awareness and understanding of the value of multicultural education and how to use this knowledge to implement effective teaching strategies in diverse classrooms and other disciplines.

#### **Session Dates:**

**July 13 – August 9, 2009**

***Enroll Today***

### **ABOUT THE INSTRUCTOR**

**Theodore Ransaw**

Mr. Ransaw is a cultural anthropologist with a teaching background in primary, secondary and Higher Education. His research interests are in culture, gender and religion and their influence on education with a special emphasis on symbolic interaction. He has a two-part career goal: to teach effectively and to contribute significant and meaningful scholarship. His teaching goals are to nurture, challenge and inspire and to teach traditional subjects in innovative ways.
