Enabling Learning Without Boundaries

PD514: Money Management

Do you find yourself lost when it comes to managing your finances? Are you overwhelmed with how to save money, budget, prepare for major expense like a mortgage or college expenses? Do you find yourself in debt and feel like there's no way out? Have you ever wanted to be a better decision maker and take charge of your life choices?

McWeadon is currently offering Money Management, a 4-week online course with special discounted rate of **\$99**. McWeadon instructor Syed S. Ahmed will be your personal coach and guide as you develop your skills in the course. He has taught similar courses at accredited higher education institutions in the United States.

Learn in a highly facilitated environment at your convenience. Our instructors are personally accountable to ensure the utmost quality and interaction and the effectiveness of this valuable learning environment.

WHAT YOU'LL LEARN

The Money Management course will focus on the concepts of budgeting, saving, investing, and navigating through challenges people face in life with money. Everyday we are faced with decisions that affect our lives and we will build a life budget sheet from each individual's life. From this project we can actively see where we stand with our financial situation whether we are in debt or want to make changes to improve our financial situation.

Course participants will:

- Learn how to build their Savings and how to prepare to emergencies and major expenses.
- Develop the skills to improve the way they Budget their resources.
- Gain a better understanding of Investing whether it's for retirement, college expense, to build a steady income.
- Improve their Credit Management in order to properly utilize their Credit by learning how to use it efficiently and manage their debt better.
- Become a savvy consumer with Improved Financial Literacy.
